Christian Principles in Industry	Northcott	Pitman	1958
Christopher Polhem 1661-1751, ISBN 91 7616 012 2	Nystrom, B.	Nat. Museum of Science &	1985
Clegg Hall Mill	Nevell & Hradil	UMAU	2003
Collection of papers on Swansea Valley Industry		Swansea Museum Service	
Collection of papers on the development & history of Holyhead Docks		Holyhead Maritime Museum	
Commercial Vehicle History Day Conference	Champness et al	MRIAS & Newcomen	2001

Commercial Vehicle History Day School	George & Champness	MRIAS	1998
Compressed Air	Richards, F.	Wiley	1899
Compstall Mill, Romiley		UMAU	2004
Compstall Mill, Romiley, Stockport		UMAU	2004
Conversion Factors & Tables, BSS 350		BSI	1944
Copies & photographs of machine tools invented by Richard Roberts	Hills, R.L.		
Copies & photographs of railway & locomotive developments by Richard Roberts	Hills, R.L.		
Copies of illustrations in book on Richard Roberts	Hills, R.L.		
Copies of the Boulton & Watt Office Letter Book 4, 145 sheets	Birmingham Central Library		
Copy of a coloured drawing of Jacquard silk weaving on hand looms at Paradise Mill, Macclesfield		Cheshire Museums Service	
Copy of a map of Ashton under Lyne by Allen & Chapman, L912		Tameside Local Studies	1831
Copy of a map of Derbyshire Hundreds	Bowen		C1800
Copy of a map of Medlock Vale			
Copy of a mine closure plan of Rocher Colliery, 2157		Coal Authority	1934
Copy of a perspective view of Trencherfield Mill engine, Wigan		Wigan Met. Bor. Council	C1990
Copy of a print showing a steam beam mill engine, presented to Hebden Bridge Branch of the National Engineers Association		Mortimer, H.	1920
Copy of a print showing the Lancashire & Yorkshire Railway Bridge at Bury with the Heywood Branch Extension Railway			C1840
Copy of a section drawing of the water powered Bedworth worsted mill near Coventry			
Copy of a sectioned drawing of the valves and nozzles of the Waterbeach steam engine			
Copy of an artists impression of a Newcomen atmospheric engine house at Tipton Staffordshire		Ashley	1975
Copy of drawing showing the details of the stone column supporting beam of Fairbottom Bobs Engine		Henry Ford Museum	1929
Copy of experiments by Richard Roberts on compressed air by T. Hopkins	Hills, R.L.		
Copy of Lancs sheet 97 by Dickenson, 1844-48		Oldham Local Studies Lib.	
Copy of Lancs sht XCVII, 14 map		Ordnance survey	1922
Copy of Living in the Industrial City	Nevel, Ed.	University of Manchester	2006
Copy of map of Medlock Vale, Park Bridge, 25 inch to 1 mile		Ordnance survey	1950
Copy of map of Stalybridge, Lancs sht 105,		Ordnance survey	
Copy of mine closure plan Bankfield Coilliery, Ashton under Lyne 3455/2		Coal Authority	
Copy of mine workings and fault lines, Medlock Vale		Coal Authority	
Copy of notes on John Watt's Clyde Maps	Royal Society		
Copy of papers related to bevel & spur gearing made by Peel Williams	Hills, R.L.		
Copy of Sharp Roberts locomotive order book	Hills, R.L.		
Copy of some of the MEDRG Housing Survey Archive			
Copy of the arrangement drawing of the Dudley Castle Newcomen engine		Barney	1719
Copy of the closure plan of Fairbottom Colliery 674		Coal Authority	1877
Copy of the general arrangement & valve mechanism of a McNaughted beam engine built by Petrie & McNaught, Rochdale			C1900
Copy of the genral arrangement drawings of the pumping engine at Ryhope waterworks	Hawthorn		

Copy of the Hereford Waterworks pumping engine		Engineer	1897
Copy of the history & guide on Rossendale Museum			1993
Copy of the Inventory of Jame's Watt's Workshop, 47 sheets	Gibson Watt	Science Museum	1924
Copy of the mine closure plan of Foix Holes Colliery, Rocher, 697		Coal Authority	
Copy of the paper entitled Perceptions of Great Engineers: fact and fantasy	Denis Smith		1993
Copy of the sectioned drawings of Ryhope pumping engine	Hawthorn	Lockwood	
Copy of the Survey of dwellings in Milk Street, Back Turner & Turner Street	Nevel, Ed.	University of Manchester	2002
Copy showing the wheel and drive mechanism of Michelham Priory watermill	Leonard, H.		1978
Correspondence & notes related to Richard Roberts	Hills, R.L.		
Correspondence & notes related to Richard Roberts work on measurement	Hills, R.L.		
Correspondence & notes relating to research on James Watt	Hills, R.H.		
Cost Reduction Charts for designers & production engineers	Peet, AP.	Machinery Pub.	1968
Cotton Mills of Oldham (photocopy)	Gurr & Hunt	Oldham Leaisyre Serviecs	1986

Notes on Bell, CWS & Federation Motor Vehicles	Bernard Champness		
Notes on John Marsland Bennett and J.M.Bennett & Sons, iron founders	Bernard Champness		1998
Notes on Marshall & Co., Wilson & Co., Manchester Cycle Co., Hutu & Belsize Car & Eng. Co	Bernard Champness		2000
Folder containing additional papers on the products of John Marsland Bennett, iron founders	Bernard Champness		2000
Notes on early blast furnaces	Bernard Champness		2000
Notes on the hamlet & water powered corn mill at Little Bollington	Bernard Champness		2001
Report on a survey of the Bollington underbridge	Bernard Champness		2006
Notes on metal vehicle body construction	Bernard Champness		1999
Notes on wooden vehicle body construction	Bernard Champness		1998
Folder containing notes on miscellaneous northwest businesses starting with "B"	Bernard Champness	Various	
Folder containing drawings of the Little Bollington Aqueduct	Bernard Champness		
Notes on Cowburn Coachmakers	Bernard Champness		1999
Notes on Bateman & Sherrat Iron Founders	Bernard Champness		2003
Envelope containing photographs of Belsize motor vehicles	Bernard Champness		
Note on John Frederick Bateman & the Longendale Reservoirs	Bernard Champness		2004
Folder containing notes on some Manchester businesses with names beginning with B	Bernard Champness		
Report on the YAT dig of block F1, Hungate Development, York	Milsted, I.	YAT	2009
Notes on the design & development of the bicycle with reference to Manchester	Bernard Champness		

Photographic negative, Lancaster & Tonge 19 off & 4 photographs	Donated by Doug Rendell		
Notes on Cockshoot, coach builders	Bernard Champness & David George	MRIAS	1999
Additional notes on oral history of employees at Eva Brothers & CD	Bernard Champness		2009
Notes on the Lees family, Samuel & Hannah Lees and the iron works & the excavation of the To	Bernard Champness	MRIAS	2004
Rope Haulage, The Lambton Railway 1800-1835	Mountford, C.E.		2001
Notes on the River Douglas Navigaioon and the Leeds Liverpool Canal	Bernard Champness		2002
Notes on Henry J. Lawson & the Great Horseless Carriage Co. Ltd.			1999
Observations on Workers Housing & Living Conditions in Manchester + 8 mounmted photograpl	Bernard & Jill Champness	MRIAS	2006
Notes & photographs on Locomotion	Eden, T.		
Notes on land in Lymn	Ross & Uxor	Lymn Local Hist Soc.	
Notes on the Little Midland & Liver motor cars	Bernard Champness		1998-9
Notes on the hamlets of Littlemoss & Luzley, ppart of the Stamford's Ashton Estate	Bernard Champness		2001
a folder containing notes, correspondence & photographs on Linotype	Various		
Envelope cotaining 3 pictures on machinery use to make grinding wheels at Luke & Spencer, Br	Variopus		
Notes on Luptons & Wyatt Clocks of Altrincham	Bernard Champness		2006
Notes on Summers, Lancashire Steam Traction Co. & Leyland	Bernard Champness		1999-2001
Notes on Litherland Bros, Altrincham Coach makers	Bernard Champness		2009
Notes and photographs of railways wagons C1840	Bernard Champness		1996
Kearns factory Broadheath, 7 photographs	Bernard Champness		2000
Folder containing notes on Hydraulic power and equipment	Bernard Champness		
Folder containing notes on JAP engines	Bernard Champness		1999
Folder containing notes on the Knight sleeve valve engine	Bernard Champness		1999
Folder containing lecture notes	David Vale		2002
Folder containing notes in Knott Lane, Woodhouses, Wood Park & Bardslery	Bernard Champness		2002
Envelope containing notes on Knibbs, coachbuilders	Bernard Champness		1999
Folder containing notes on Hudlass motor vehicles	Bernard Champness		2000
Folder containing notes on Horsfall & Bickham, Engineers of Salford	Bernard Champness		1999
Folder containing notes on Jackson motor vehicle built in Altrincham	Bernard Champness		1999
Folder containing notes on Hubble, Ireland, Jackson, James, Johnson, Jones, Joule, Kearns, H	Bernard Champness		2001
Folding containing notes on Horsehair weaving	Bernard Champness		2008
Folder containin g pamlphetes on Auto collimation & interferometry			C1960
Folder containig 3 reprot on Ingersley Vale Mill, Rainow	Bernard Champness/ Nevell et al		2007
Folder containing note on Fletcher & Imperial Autocar Co.	Bernard Champness		1999
Slides (112) covering Manchester sceenes circa 1900 & opening of the Ship Canal	Philip Lloyds		C1890
Envelope containing notes on some NW engineering & textile businesses	Bernard Champness		1999
Folder conating notes in Gilks water turbines			
Folder containing notes on drawing gold thread	Bernard Champness		2002

Folder containing papers related to the renovation of the Great Northern Warehouse & the survey of the railway viaduct		1995-2003
Folder containing notes on the glass industry in the north west	Bernard Champness	2003
Folder containing papers on the gas turbine engine		
Notes on Gunton Park water powered saw mill		
Folder containing a history of Fairbottom Bobs atmospheric engine & colliery	Bernard Champness	2010
Industrial Archaeology Review vol. XXXI no. 2	AIA	2009
Notes on Gardner & Norris, Henty & Gardner	Bernard Champness	1999
Notes on Garages in Manchester	Bernard Champness	1999
Notes on Richard Garrett & Beyer Peacock	Bernard Champness	1999
Notes on the development of lathes	Bernard Champness	2010
Notes on the Foden engineering company	Bernard Champness	1998
Envelope containing papers and illustration on forging	Bernard Champness	Various
Folder containing published material on Ford Motor Co.	Bernard Champness	Various
Folder containing notes on Ford Motor Co. including Trafford Park etc	Bernard Champness	1999
Envelope containing odd notes on forging	Bernard Champness	Various
Folder containing notes on the measurement of surface flatness & finish	Bernard Champness	Various
Envelope containing notes on the Fulklands Island Railway	Bernard Champness	1998
Folder with notes on the Fletcher dimasty of coal operators	Bernard Champness	2002
Folder containing notes on William Fairbairn	Bernard Champness	2003
Folder containing notes and plans of the excavations of Fairbottom & Rocher Collieries	Bernard Champness	2003
Roll of plans and maps of collieries in the Medlock Valley		2003
Folder containing notes on Rothwell & the Eclipse Machine Co.	Bernard Champness	1999
Envelope containing notes on Peter Ewart	Bernard Champness	2000
Folder containing a report of the survey of Eva Brothers Crabtree Forge, Clayton	Bernard Champness	2003
Envelope containing notes on steam turbines & Electrical generators built by AEI, MetroVick & GEC at Trafford Park		
Envelope containing notes on steam engines built by de Ferranti	Richard Hills	
Envelope containing notes on East Lancs Coachbuilder & George & Jobbling	Bernard Champness	1998
Envelope containing notes on Frankl Smith, Charlie Fletcher, John Alock and Empress Motor Co	Bernard Champness	1999
Report of a survey of Elitex House, Banners Shirt Factory & Royal Ruby Motor Cycle Co.,	Bernard Champness	2004
Folder containing notes on ERF Ltd	Bernard Champness	1998
Envelope containing notes on William Fairbairn	Engineer & R. Hills	1877
Photographs & papers on the East Lancs Railway	Bernard Champness	1990-2002
Folder containing notes on Battery Powered road vehicles	Bernard Champness	1998
Envelope with a photograph of Datac electronic equipment	D. Rendle	
Envelope containing a newspaper cutting on the Great Northern Railway Viaduct, Deansgate		
Envelope containing photographs of the Dunlop works at Patricroft	Bernard Champness	
Report of the survey on the water wheel at Dale Street Warehouse	Steve Stockley & Gordon Browne	1996

Report on the construction of the Coach House at Dunham Masset	Bernard Champness		2005
Folder containing notes on die casting	Bernard Champness		
Report on salt extraction in the Bollin Valley & Dunham Woodhouses	Bernard Champness et al		2005
Folder containing notes on Dunham water, fulling, saw mill	Bernard Champness et al		
Folder containing notes on the Dunham brick survey	Bernard Champness		2005
Envelope containing information on Devon Archaeology Society			
Envelope containing a copy of the excavation report on Dairy House Farm, Hale	Wilson, D.		
Envelope containing pictures of the atmospheric engine at Daisy Nook			
Envelope containing notes on the Duplex Engineering Co., Trafford Park			
Folder containing notes on Dean Row, Lindow Common, Morely, Styal and Wilmslow	Bernard Champness		2005
Folder containing notes on Harry Read & DOT Motors Ltd	Bernard Champness		1999
Folder containing notes on clooteries, ironworks & mills in Dukinfield, Hyde etc	Bernard Champness		2002
Folder containing notes on Robert Lindsay, Haigh Foundry, Robert Daglish & Orrell Colliery	Bernard Champness		2005
Folder containing notes of de Dion Bouton	Bernard Champness		1999
Envelope containing papers on Davenport Green Hall Hale	Various		
Envelope containing papers on Davy Engineering Co.	Bernard Champness		1999
Envelope containing papers on Davidson's (Trafford Park) Ltd, coach builders	Bernard Champness		1999
Envelope containing photographs of electrical equipment made by V.B.Hude	D. Rendle		
Folder containing notes on the development of the internal combustion engine including the work	Bernard Champness		2004-2010
Notes on Miscellaneous Manchester Engineering Businesses	Bernard Champness		2004-2010
Notes & correspondence on the excavation of Back Blakeley & Joiner Streets. Drawings of the remains of CI columns from Charles Johnson's Rope Works			2009
Chemical Revolution, TICCH Congress Paper	Russell, C.A.	TICCH	2000
Notes on Derek Bennett & Chevron Cars	George, A.D.		1998
Sheet on Spinning wheels & Crompton's mule	Hills, R.L.	NWMS&I	C1980
Of Clocks, Glass, China & Guns	Vale, D.		C2000
Notes on Chorlton Mills	Breeds, G.L.	NWMS&I	C1980
Notes & photographs of Chester Lead Works & Shot Tower	Bernard Champness		2000
Notes & photographs of the Cheshire Lines Railway	Various		
Notes & photographs on Cummins Engines	Bernard Champness		1998
Papers on the excavation of Back Blakeley & Joiner Streets. Drawings of the remains of CI columns from Charles Johnson's Rope Works			2009
Papers on Forging			2009
Papers on the internal combustion engine			1998
Papers on Central Station	Man. Evening News		2004
Papers on Castleshaw Roman Fort			
Folder containing papers & photographs of Castlefieldon			
Description of Crimble Mill, Heywood	Peter Bone		2008
Folder containing papers on pneumatic & electronic comparators			C1960

Four photographs of carding machines			Unkown
Papers & notes on the Huddersfeild Canals	Bernard Champness		2000-2010
Notes on Cams, there design & applications	Bernard Champness		
Photgraphic survey, notes & CD of Carborundum, Trafford Park	Bernard Champness	MRIAS	2008
Notes and photographs of S.Cartwright & Sons, Broadheath	Bernard Champness		2008
Notes on the Chauffeur	Bernard Champness		1998
Notes on Coltishall Lime Kiln	Bernard Champness		2006
Notes on the perch, underframe & chassis development	Bernard Champness		2000
Notes & papers on misceelaneous Manchester engineering companies ©	Bernard Champness		Variou
Notes on Carrington, Partington & Carrington Chapel Colliery	Bernard Champness		2004
Some observations on engineering aspects of finds at Carrs Mill, Wilmslow	Bernard Champness	MRIAS	2002
Manchester Association of Engineers, yearly booklet, 151 st Session 2006-7		MAE	2008
Industrial Archaeology Review, vol.XXXii, no. 1		AIA	2010
Notes papers & photographs on the British Electric Car Co. Ltd	Bernard Champness		1998
Crossley patent of flexible drive shafts		Patent Office	1910
Notes, papers & photographs on the Budenburgh Gauge Co,	Bernard Champness	MRIAS	2003
Notes on a MRIAS visit to Burton on Trent	Neil Davies	MRIAS	2007
Notes on Brooks & Spencer,A.W.Brown patent, R & E. Buckley,Buckley & Crossley foging mach	David Vale & Bernard Champness		
Notes on the hiustory or Broadheath & Sinderland	Bernard Champness		2005
Notes on Broadheath-Oldfield Brick works & Dunham wall	Bernard Champness		2005
Notes & photographs on Bradshaw engines	Bernard Champness		2005
Notes on the Bradshaw family	Bernard Champness		2005
Notes & photgraphs on the Bradbury sewing machine & cycle co.	Bernard Champness		2005
Papers on Brownsfield mill			
Notes on Bromilow & Edwards Ltd	Bernard Champness		2005
A History of the Coal Industry	Bernard Champness		2010
10 photographs of Arkwright's Mill, Cromford	Bernard Champness		1998
Folder containing reports on the Bridgewater Canal, Altrincham-Runcorn arm, Broadheath, War	Bernard Champness		2005
Sheets on Frank Bullock, cycle & car manufactuers of Manchester, Blackburne engines & Jame	Bernard Champness		1998
Futher sheets and photographs on Bannerman shirt factory & Eletex House, Hale	Bernard Champness		2005
Papers on house in Beech Road Chorlton cum Hardie	Bernard Champness		2009
Papers on Baton Aqueduct	MSC		
Further papers on Bateman & Sherratt	Bernard Champness		2008
Futher papers on John Boyd Horse hair weaving factory			
Further papers on Bown Forge, Dukingfield	Bernard Champness		2008
Papers & photographs on Beyer Peacock	Bernard Champness & Richard Hills		
Photographs of the Northern Motor Co., Blereding Wolf Garage, Hale	Bernard Champness		2005

Papers on Blackpool Tramways
